

APISCANDIA
STOCKHOLM 2024

INVITATION to The Scandinavian Beekeeping Congress in Sweden **16th–18th of February 2024**

The Swedish Professional Beekeeping Association will organize The Scandinavian Beekeeping Congress in February 2024. The international event that brings together scientists, specialists and beekeepers from the Nordic countries and all around the world. According to the tradition from previous years, we offer a inspiring programme with various lecturers and an exhibition for tool dealers and companies from the beekeeping industry.

The setting for this congress is at Aronsborg Meeting & Conference Center, close to Stockholm and Arlanda Airport. During the Apiscandia Congress you can meet old friends and make new ones as you tour the exhibition and take in the latest science and beekeeping ideas.
